Trelissick Park group working bee tasks 2020

- Infill planting in recently planted areas
- Planting in weed controlled areas
- Releasing around recently planted trees
- Weed removal, including sycamore, buddleia, broom and wattle.

Please report any problems such as trees fallen across tracks, rubbish dumping, slips, vandalism and noxious weeds to Wellington City Council 04 499 4444.

Please report pollution in streams to the Greater Wellington Pollution Hotline **0800 496 734**.

Working bee programme 2020

Please confirm the exact site beforehand as sometimes work requirements involve changes.

The main planting period is July-September. The monthly programme is on Sundays and Tuesdays 1.30pm-3.30pm on the dates shown below. In the event of wet weather, the working bee will be transferred to the same day in the following week.

Please wear stout footwear and bring, if you can, gardening gloves, loppers, grubber, shears, pruning saw (hand tools only).
